This information is provided based on guidance from the Office of the Assistant Secretary for Civil Rights. The Department's Policy staff has updated the nondiscrimination statement; however, it is included in Departmental Regulation (DR) 4300-003, Equal Opportunity Public Notification Policy, which has not been cleared for issuance. Until the DR is issued, the following nondiscrimination statements should be used for our programs.

SNAP and FDPIR State or local agencies, and their subrecipients, must post the following nondiscrimination statement:

The U.S. Department of Agriculture prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)
